

# Trying to Get Pregnant or Nursing?

While the ACU with permethrin is safe to wear, you are authorized to temporarily wear an ACU without permethrin

See your Healthcare Provider for a profile, DA Form 3349

**USAPHC**  
U.S. ARMY PUBLIC HEALTH COMMAND  
Approved for public release,  
distribution unlimited.

**Trying to Get Pregnant?** While in garrison, you are authorized to wear an Army Combat Uniform (ACU) without permethrin prior to the wear of a maternity uniform without permethrin.

**Pregnant?** You are authorized to wear a maternity uniform without permethrin.

**Soldiers with permethrin-specific medical profiles** may special order the ACU coat and trouser without permethrin from the local Army Military Clothing Sales (AMCS). The maternity ACU can only be obtained through the Central Issue Facilities.

**Contact your healthcare provider for more information.**
