

# Airborne Hazards and Open Burn Pit Registry

If you are a Servicemember who deployed to contingency operations in the **Southwest Asia theater of operations\*** on or after August 2, 1990

or

If you are a Servicemember who deployed to **Afghanistan or Djibouti** on or after September 11, 2001

Register here:

<https://veteran.mobilehealth.va.gov/AHBurnPitRegistry>

The registry is a database of health information about Servicemembers and Veterans collected through a questionnaire.

Servicemembers and Veterans can report exposures to airborne hazards such as smoke from burn pits, oil well fires, or pollution during deployment as well as other exposures and health concerns.

\*These regions include the following countries, bodies of water, and the airspace above these locations: Iraq, Afghanistan, Kuwait, Saudi Arabia, Bahrain, Djibouti, Gulf of Aden, Gulf of Oman, Oman, Qatar, United Arab Emirates, Waters of the Persian Gulf, Arabian Sea, and Red Sea.
