

Dog Safety Tips

- ☺ Always ask an adult before petting a dog.
- ☺ Hugs are for people, not pets! Most dogs don't like hugs.
- ☺ Don't pet dogs while they are eating - wait until they are done.
- ☺ Tell an adult right away if a dog scratches or bites you.

Be a Tree™

If a dog you do not know comes up to you, stand as still as a tree and look at your toes. Stay like a tree until the dog walks away.
